The Missouri Coalition Against Domestic and Sexual Violence (MCADSV) unites Missourians with a shared value that rape and abuse must end, and advances this through education, alliance, research and public policy.
In just ONE WEEK in Missouri in 2019

811 VICTIMS of sexual violence received services

320 VICTIMS SERVED were assaulted by intimate partners

491 VICTIMS SERVED were assaulted outside of an intimate partner relationship

1,132 INDIVIDUALS ATTENDED 65 TRAINING SESSIONS provided by local sexual violence programs

The trainings provided information about sexual violence advocacy, prevention and early intervention.

44 PEOPLE RECEIVED HOSPITAL OR MEDICAL ADVOCACY at a hospital or emergency room

349 HOTLINE CALLS ANSWERED Rape crisis hotlines are a lifeline for victims in the aftermath of an assault, providing support, information and resources.

384 UNMET REQUESTS FOR SERVICES for needed programs and services, 384 requests for services by victims of sexual violence were unable to be met.

The Missouri Coalition Against Domestic and Sexual Violence coordinated its 10th statewide census of the number and type of sexual violence services provided in the state during the week of September 16-23, 2019. Reports on the number and type of services provided were submitted by 91 percent of local programs in Missouri (48 of 53). It is likely that this actual number of individuals receiving sexual assault services during the census week exceeded the numbers reported. Numbers can vary week to week.
