The Missouri Coalition Against Domestic and Sexual Violence (MCADSV) unites Missourians with a shared value that rape and abuse must end, and advances this through education, alliance, research and public policy.

Research shows increasing survivors’ knowledge of safety planning and community resources leads to increased safety and well-being over time.

In 2019, MCADSV Northwest Region member programs collected 2,814 surveys from domestic violence survivors. Here’s what the surveys showed:

98% reported gaining knowledge of the community resources available to help them

94% reported having strategies for enhancing their safety
